Group Giving

Mr. John Weeks of Linn County Civitan Club presented Justin Novak with a \$500 check supporting the 7th Annual Miracles in Motion 5K. Executive Director Sharlynn Page and board treasurer Jason Weeks joined Justin in meeting the group over morning coffee in September.

Thanks to Eldon C. Stutsman, Inc.

Did you know that Miracles in Motion grows all of the hay our horses eat? We contract with local farmers, Darrick & George Chadima to cut and bale over 2000 small bales for our horses and extra large bales that are sold to farmers for cattle and hogs. For the past two years, Eldon C. Stutsman, Inc. has provided fertilizer for our hay fields. This donation improves our hay production and ensures the high quality of hay we grow. Thank you, Stutsmans, for helping make "Miracles" happen! Above, Billy nibbles a hay flake offered by Tyler Weeda.

The Cedar Rapids Corvette Club presented a \$2,000 check to Miracles in Motion on September 18. Pictured is Miracles in Motion's Executive Director, Sharlynn Page (far left) along with several other nonprofits who benefitted from the club's generosity.
